## **DETAILED ACTION**

- Examiner has considered Amendment after Non-Final mailed 8/03/2006.
- Claims 1, 3-14, 16-19, 21-23 are pending.

## **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 16, line 1, "claim1" has been changed to "claim 1".

The following changes to the drawings must be made by Applicant to avoid abandonment of application:

Figures 1-3 should be designated by a legend such as --Prior Art-- because only that which is old is illustrated. See MPEP § 608.02(g). Corrected drawings in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. The replacement sheet(s) should be labeled "Replacement Sheet" in the page header (as per 37 CFR 1.84(c)) so as not to obstruct any portion of the drawing figures. The objection to the drawings will not be held in abeyance.

***Allowable Subject Matter***

2. Claims 1, 3-14, 16-19, 21-23 are allowed.

The following is an examiner's statement of reasons for allowance: Prior art of record does not disclose, in single or in combination, at least one of the data flows is bidirectional having a first direction from the first plurality of data flows to the second plurality of data flows and a second direction which is inverse to the first direction, and the at least one filter is modified to update a Quality of Service profile of a PDP context on the basis of user data packets sent in the second direction in combination with other limitations of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
